

REMARKS

An Office Action was mailed on March 23, 2005 indicating allowance of all pending claims subject to amendments to overcome rejection under 35 U.S.C. §112, second paragraph. The Examiner most kindly suggested certain claim replacements. Applicants accept same.

New Drawings as required are provided herewith.

The Specification is objected to. Correction as requested by the Examiner is made. The Examiner is respectfully requested to withdraw the objection.

In view of the remarks and amendments set forth above, this application is in condition for allowance which action is respectfully requested. However, if for any reason the Examiner should consider this application not to be in condition for allowance, the Examiner is respectfully requested to telephone the undersigned attorney at the number listed below prior to issuing a further Action. All dependent claims are allowable at least for the same reasons as the independent claim from which they depend.

Any fee due with this paper, including any necessary extension fee, may be charged to Deposit Account 50-1290.

Respectfully submitted,
